Language Science Press

Diamond open access books

language science press

About

- Scholar-owned press
- High quality, peer-reviewed open-access books
- Published under a Creative Commons licence
- Free for both authors and readers
- Supported by a network of 115 institutions world-wide, including Yale, MIT, Zürich, Sydney
- PDFs are available free of charge
- Printed copies available at low cost (20–90 EUR) via print-on-demand

Philosophy

Our philosophy is that book publishing can be fully under the control of scholars because most of the traditional tasks of commercial publishers can be done more efficiently by scholars.

As of February 2025, more than 1 500 scholars have published a book or a chapter with Language Science Press.

Series
