

Coosam

```
graph LR; Coosam[Coosam] --- Branch(( )); Branch --- Hamis[Hamis]; Branch --- Miluk[Miluk];
```

A diagram with a central node 'Coosam' in a pink rectangle on the left. A horizontal line extends from its right side to a vertical line. From this vertical line, two diagonal lines branch out to the right, each leading to a rounded rectangle. The top rounded rectangle contains the text 'Hamis' and the bottom one contains 'Miluk'. All text is in a pixelated font.
