

Inanwatan

```
graph LR; Inanwatan --> Duriankere; Inanwatan --> Suabo;
```

A diagram with a central node 'Inanwatan' on the left, highlighted with a light red background. Two lines branch out from its right side to two separate nodes on the right: 'Duriankere' (top) and 'Suabo' (bottom). Both right-side nodes are enclosed in rounded rectangular frames.

Duriankere

Suabo
